

## A YOGA BLOCK:

Helps you achieve extra height, balance and grounding in tricky poses

Great for **stacking and alignment** practice

## WHY CHOOSE CORK?

It's 100% natural; satisfying to the touch & kind to the environment.

### **Grippy, not slippery:**

Superior stability vs foam blocks, especially when wet.

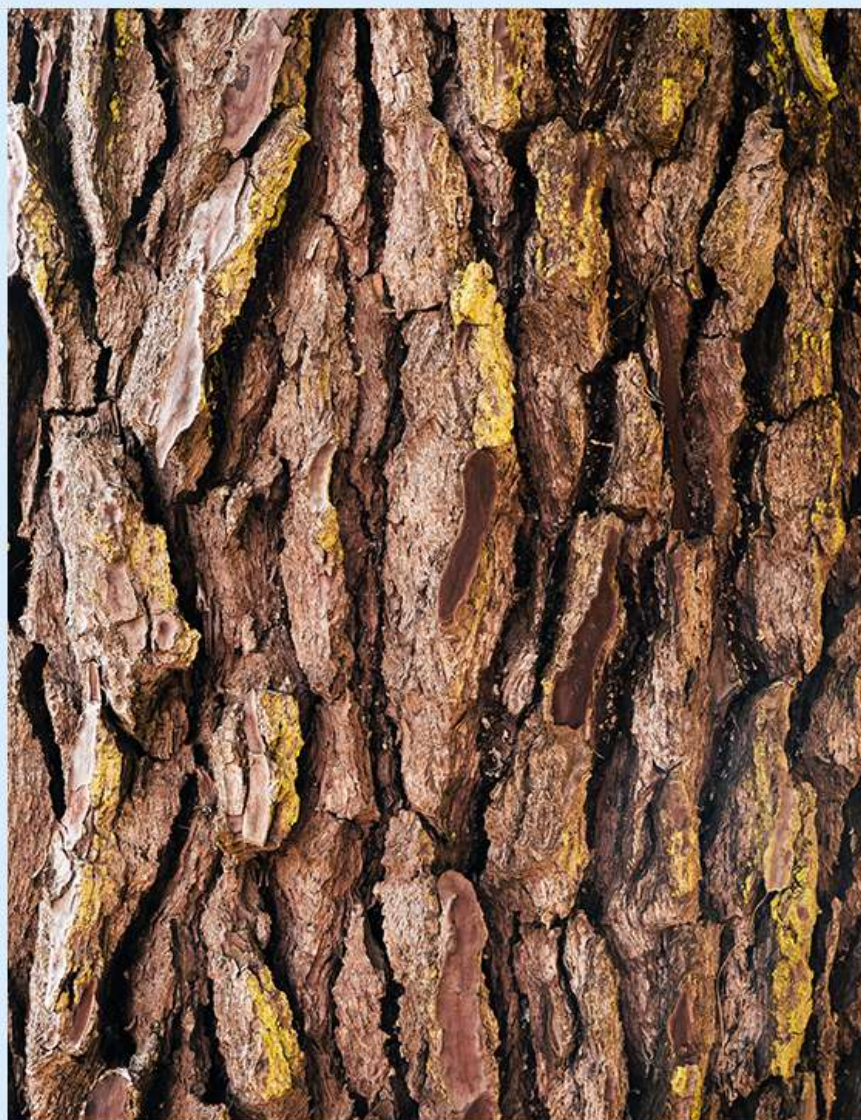

## BASAHO YOGA BLOCKS ARE:

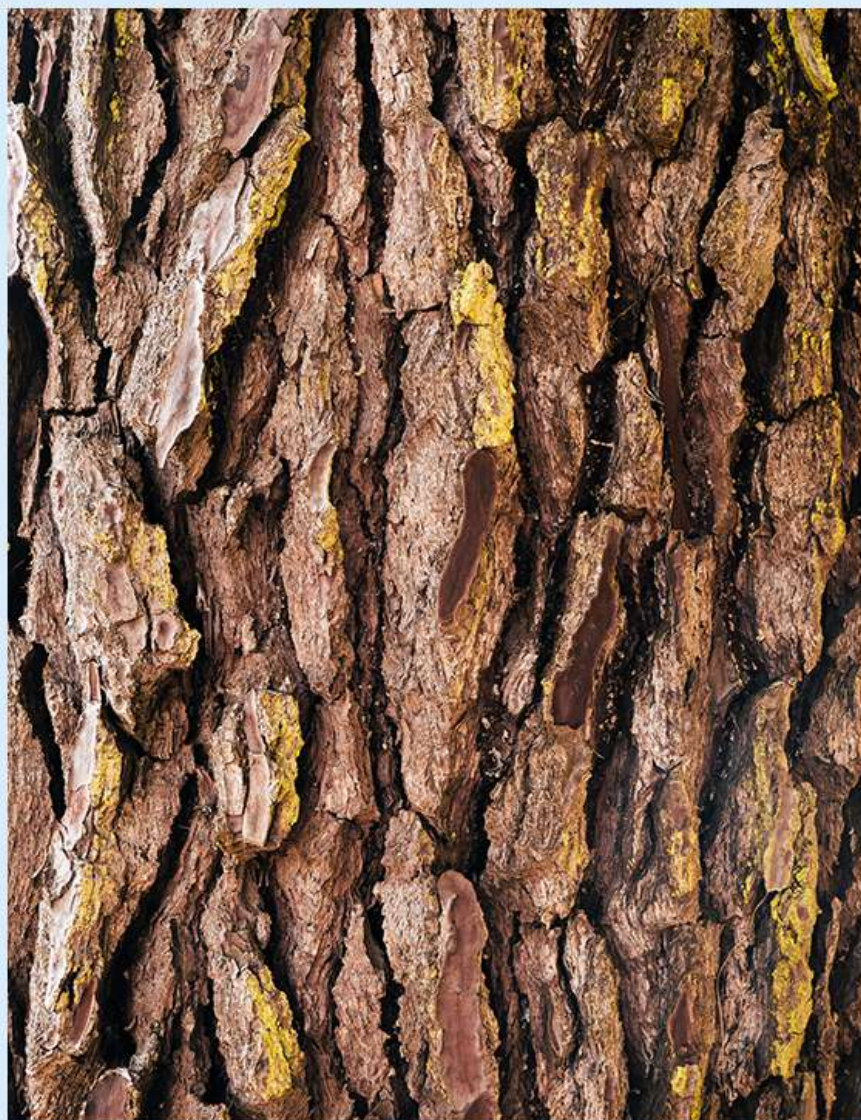

Carbon footprint  
conscious &  
built to last

Self-cleansing  
& naturally fresh,  
with antibacterial  
properties.

## Sustainability

- Made in Portugal, using sustainably-harvested bark from local Cork Oak trees.
- After harvest, these amazing trees fully regenerate & absorb 5x more CO<sub>2</sub>.

## Sustainability

- Made in Portugal, using sustainably-harvested bark from local Cork Oak trees.
- After harvest, these amazing trees fully regenerate & absorb 5x more CO<sub>2</sub>.

## A mindful duo

**Two blocks** will help to balance both sides of your body

Especially useful in poses like Upward Facing Dog or Camel Pose.

# Why us, why not competitors?

The most repeated phrase  
in our reviews = “good quality!”
